

# Amazone saddlechair

Amazone Ergonomic saddle chair promotes a safe sitting position, strengthens the back and counteracts pain. The chair is of high quality, the upholstery has high wear resistance and is easy to clean. The chair allows the user to easily inspect patients up close without the chair getting in the way.

The unique, adjustable balance mechanism keeps the back and lower back in balance when the user changes position and relieves pressure on the thighs for an even more comfortable sitting position.
